# Wire rope-Sets

*Our Summer Special\**

## For climbing plants, sun sails, barriers ...

and much more: The practical wire rope-set for everything around the hobby, house and garden that needs to be securely fastened. Complete - including clamps, turnbuckles and thimbles.

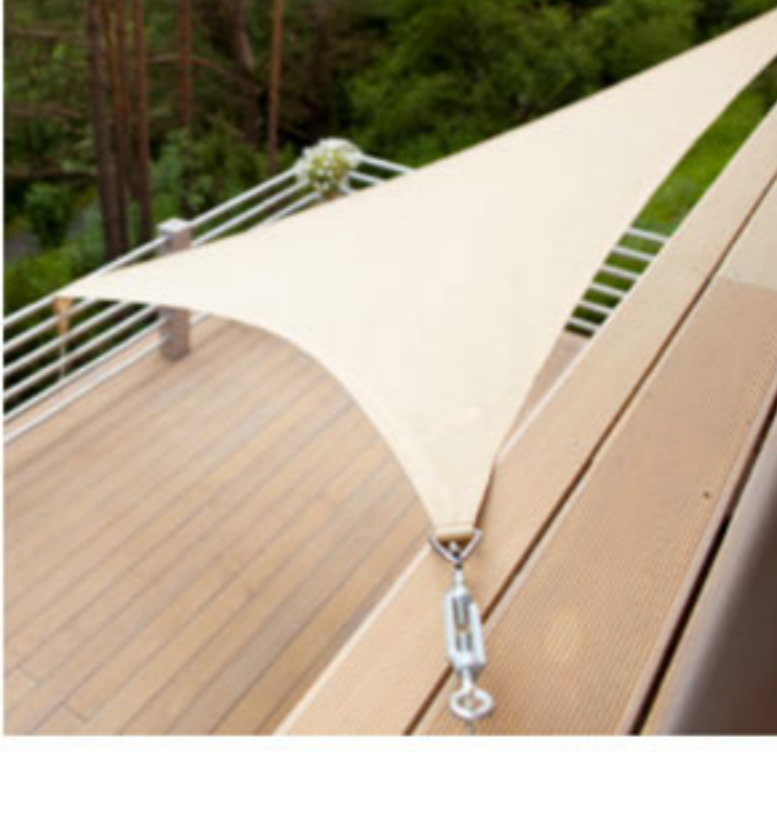

With POS solution\*\*\*

**Made of A4-AISI 316 stainless steel:** The material is durable and resistant to rainwater, salt water, light acids and alkalis. This makes it ideal for use

in construction, trade and industry | from guy ropes on awnings | as a climbing aid for climbing plants | as a modelling and hobby application | as anti-theft protection and much more.

\* The discount of 5% applies from a purchase quantity of 10 wire rope sets - also in different versions.

> The ropes and accessory components are not suitable for use as sling ropes or load handling attachments, as hoist or winch ropes, as fall protection and for standardised, structural or safety-related applications <

## In 12 versions » for every need.

**From size S to XL:**

10 m to 250 m wire rope in 2, 3 and 4 mm thickness.

For loads up to 80 kg.

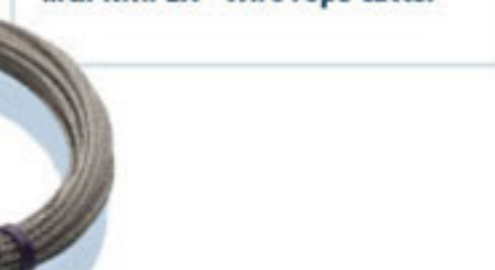

Well suited for self-assembly. All necessary fixings and connections are included in the set:

- duplex clamps
- turnbuckles
- thimbles
- Instructions and safety information

Size XL (from 150 m) incl. **KNIPEX® Wire rope cutter** »
